ABOUT US

water based formula

UNA is the perfect balance of hair health and beauty, thanks to its medicated water-based formula that acts as a vital source. As a nymph cares for and protects her natural environment, herb- and plant-based UNA products revitalize your hair gently and effectively. The regenerating effect of UNA products restores your hair health, while their natural plant-

based formula offers the power of plants and herbs for in-depth treatment. UNA products gently cleanse your scalp and lengths, providing reliable protection against external agents and damage caused by styling. Their revitalizing properties infuse new energy and vitality to your hair for optimum health and shine.
